2. In this connection I bring to the notice of Government that they have in their Order No. P. 1529-31/Pol. 39-32-4 dated 9th/10th September, 1932, sanctioned my proposals for promoting men in the Department who have had previous office experience to higher grades and to advertise two posts on the last grade on Rs. 30-3-45.

3. Men of high educational qualifications are coming forward for vacancies advertised on the last class i.e., Rs. 30-3-45.

4. There are 50 clerks in the Department on Rs. 30-3-45.

6. The clerks who are required to supervise the work in various branches are on Rs. 50-4-70 and any recruitment directly to that grade will have a demoralising effect on the work of the Department, in as much as recruits will not in most cases be efficient to discharge the duties expected of them while senior and experienced clerks on Rs. 30-3-45 have to couch them up. Men who have put in considerable length of service will have to take chances now to get promotion from the lower to the Rs. 50-4-70 grade only in promotion vacancies.

7. It is my endeavour therefore to restrict recruitment to the lower rung of the ladder instead of to the upper grade.

8. I therefore request that orders of Government may kindly be obtained to restrict all direct recruitments to the ministerial establishment of this Department to posts in the last grade i.e., on Rs. 30-3-45.
